

## **Story Premise**

Magenta Broussard is visiting Doyfala Island for her usual summer vacation, but she is determined to get some answers this time. For instance, why is her mother so distant towards her, and why doesn't the rest of her family ever visit the island with her? A fight with her rival, Lindsay St. Andrews, leads to her uncovering a secret that will completely rearrange the family dynamic.

This story delves into the tight-knit world of islanders while kicking a long-dead skeleton out of the closet.
